Well maintained home with a cozy fireplace with a vaulted ceiling and a wood beam down the middle adds a great touch to the spacious living room. A wall of windows beams, both on front and the back of home, provides so much natural light you never have to turn on a light during the day. The newly remodeled kitchen features new modern white cabinets with a ton of new granite countertops and stainless appliances all looking upon a 40 foot peaceful sunroom with 15 windows drenching home in light. Primary bedroom features a walk-in-closet and ensuite. Two more generous bedrooms and a full bath. Relax on the back deck overlooking a fully fenced backyard with a huge wired workshop for tinkering. On the East side of Hwy 71, Bentonville School District, and just 7 miles to Bentonville Square, Crystal Bridges Museum and the new Walmart Campus. Minutes to the new OZ Trails Bike Park, all NWA premiere biking, hiking and dog walking trails. Bella Vista offers pools, golf, lakes tennis, pickle ball and everything outdoors.
